2024 Range

Three Birds *Casual*

Our 2024 range comfortably sits between aesthetics and function while utilizing silhouettes that are certain to be modern classics. As we adventure deeper into the realm of mixed material, we turn each silhouette into something new by maintaining and fortifying our teak roots.

Tribeca

The ability of each piece to stack up to six (6) units high adds unmatched levels of utility to larger outdoor spaces. The Tribeca collection features a rust-free aluminum frame, all-weather textilene sling, and grade-A Teak accents.
